Phone Number ☎

An enthusiastic student, intending to major in Computer Science.

EDUCATION

High SCHOOL Ahlcon International School

04/2018 - 04/2022

New Delhi

Courses

- Physics, Chemistry, Mathematics, Computer Science, English

WORK EXPERIENCE

Content Writer | Film-maker Zenonco.io

12/2020 - 02/2021

New Delhi, India

Zenonco.io is the world's first integrative oncology healthcare platform. It provides medical as well psychological aid to Cancer patients.

Achievements

- I have written inspiring stories of cancer survivors for Zenonco's Website.
- I was also a part of the film-making team, where I created motivational videos for cancer patients.
- I created Zenonco's official World Cancer Day video for the year 2021.

Research Intern Sakura Science Program

12/2020 - 01/2021

Saitama, Japan

Sakura Science Program is a student-exchange program, focusing on spreading STEM-based knowledge among students.

Achievements

- I was one of the representatives of the Indian delegation at Japan.
- As a part of my project, I designed a working model of an autonomous car, with autonomous braking along with automatic driving.

Video and Audio Editing Intern Myth Media

11/2019 - 02/2020

New Delhi

Myth Media is a production house based in Delhi. It provides services in audio and video editing, and dubbing for companies like Amazon's Audible.

Achievements

- I worked as a video editing intern for a period of 3 months, where I worked on real-life projects.
- I worked with softwares like Sound Forge and Final Cut Pro.
- I was familiarised with the state of the art in this industry.
